

## UPPER LAFAYETTE ON THE MOVE....

What an exciting year this has been for Upper Lafayette! I want to express my gratitude to all of you who have been supportive of our foundation's efforts to be a positive voice for the residents and businesses situated in the upper portion of Lafayette Parish, which includes not only Lafayette, but also Carencro, Duson and Scott. Your ongoing involvement in promoting our community as a great place to live and work has been instrumental in "branding" Upper Lafayette as a great choice for families and businesses. We have also become known as a group who wants to work for the betterment of all of Lafayette Parish as a whole. I am so proud to have the opportunity to work with each of you!

### UPPER LAFAYETTE BOUNDARIES

### LETTER FROM

May all of you have a very Merry Christmas and a Prosperous New Year! I am pleased to see what ULEDF has become in a very short time and I thank every member for making us the leader in our community. The fact that we were able to get Jan to become our Executive Director was the highlight of my tenure as Chairman. Her sincere enthusiasm has allowed us to stay focused and motivated.

The Chairmanship has been passed to Todd Citron of Hub City Ford, and I am very sure that he will lead ULEDF to new heights with his great vision!

May God Bless,

Herbert Schilling
